

# TOWN OF BARTLETT, NH ANNUAL REPORT 2022

**ON THE COVER:**

Named for the red jackets the ski instructors and patrollers wore at the time, the Red Parka Pub celebrated its 50th Anniversary in 2022.

It all started when Fred Hanscom built a store in 1952 that would later be sold to his nephew Ervin Grant. Along with his wife Margaret and daughter Nancy, Ervin ran the general store until they built a new store in 1965 up the street a bit which is now known as Grant's Shop n' Save. The original store was then rented to Dottie and Rick Roderick who reopened it as the Red Parka Pub. The Rodericks then moved away and in 1972 the Grants leased the building to Jean and Dewey Mark and Al and Lois Nelson. When Tony Ferruolo joined in the partnership and bought the Nelson's share, the journey continued through the years as a very successful business and the place to go for apres ski and a good steak. Today, Terry O'Brien (daughter of Jean and Dewey Mark) and her mother Jean Melczarek (formerly Mark) are the sole owners of the Pub.
